

Save up to \$75
on energy costs

Receive your \$40 rebate

Offer valid only for residential electric customers in Massachusetts where the Mass Save® Program is offered by Cape Light Compact, Eversource, National Grid and Unitil. This rebate is good for a purchase of an ENERGY STAR certified room air conditioner completed between January 1, 2024 and December 31, 2024. The rebate application and all necessary materials must be postmarked or submitted online by January 31, 2025. Limit two room air conditioner rebates per Massachusetts residential electric account per calendar year.

Room air conditioner

ENERGY STAR certified room air conditioners use **10% less energy** than conventional models. Certified models come with better sealing and insulation materials to minimize air leaks.

Choose an air conditioner that is appropriately sized for your room.

- Air conditioners both cool and dehumidify. An oversized unit will cool the room before it's able to remove an adequate amount of humidity, leaving the room feeling clammy
- Check out the buying guide at energystar.gov/RoomAC to help determine what capacity air conditioner is best for your space

TERMS AND CONDITIONS

Customer Eligibility: Offers valid only for residential electric customers in Massachusetts where the Mass Save Program is offered by Cape Light Compact, Eversource, National Grid and Unitil. This rebate may not be combined with any other utility or energy efficiency service provider offer for the same equipment.

Rebate: Rebate is paid in the form of check via mail. Rebate check cannot exceed the purchase amount indicated on the receipt or invoice. For more information and to check the status of your rebate, visit [MassSave.com/RebateStatus](https://masssave.com/RebateStatus) or call **888-855-0340**.

Installation and Environmental Credits: Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. The EEPP reserves the right to conduct field inspections to verify installations.

Liability: Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly.

Changes to This Rebate Offer: These Terms and Conditions may be changed or terminated by the program administrators at any time without notice.

(!) IMPORTANT: Photocopy your entire submission for your records. You may be required to provide additional copies.

By submitting this rebate, you agree to the above Terms and Conditions.
